

A New Approach for Crumlin Road Courthouse **Presentation by Johann Muldoon** **Thursday 13th March 2025**

Daphne Mahon, Daniel Calley, (UAHS Chair), Susan Hannam, (Events Chair UAHS), Johann Muldoon, (Speaker)

On Thursday 13th March, members and friends enjoyed a fascinating presentation by Johann Muldoon of Manor Architects on plans for the restoration and regeneration of Crumlin Road Courthouse.

Using a wealth of detailed maps, plans and breathtaking drone photography, Johann illustrated the competing needs of restoring a landmark heritage building whilst also ensuring its future sustainability and economic viability.

Our thanks to Johann for giving us such an interesting and very informative talk.
